

Winner of Suburban Quarter Adds Another Foot Racing Classic to List—Baker Fails to Stop Boston Hockey Team

HIGGINS IS WINNER IN BROOKLYN (1000) Scores Over Fleet Field in College Meet, With Leslie Second.

BAKER IS DISQUALIFIED By GEORGE B. UNDERWOOD. Joe Higgins, who carried the Winged Foot of the Irish American A. C. to victory in the Suburban Quarter, captured another foot racing classic at the annual games of Brooklyn College last night.

The former Holy Cross collegian won the feature event, the Brooklyn College Thousand, from a fleet field in 2:17 4-5. The games were held in the Fourteenth Regiment Armory, and the huge drill shed of the Brooklyn guardsmen held one of the biggest crowds of the year.

Higgins out loose on the bell lap and ran away from his field, winning by eight yards from Sid Leslie, the former Long Island A. C. man, who now competes unattached. Homer Baker of the Irish American A. C. finished third, but through an apparent mistake of the officials Baker was disqualified and third place awarded to Mike Devaney of the Millrose A. A.

The officials adjudged Baker guilty of rough running when it was plain to almost every expert in the building that the teaming was a foul. The four men mentioned were only starters. Dave Caldwell of the Boston A. A., Dick Egan of the Irish American A. C. and Wilson Adams of the New York C. C. also were entered.

Baker was the first to get into his running and led the field around the first turn, with Higgins, Devaney and Leslie following from his field, winning by eight yards from Sid Leslie, the former Long Island A. C. man, who now competes unattached.

Devaney Withdraws. Baker recovered his stride and set sail for Leslie. In the meantime Higgins, who in front, was running free and strong. In the stretch Higgins drew away from the former Long Island A. C. lad, Baker opening up an eight yard gap before breathing the worsted. Baker closed in but could not touch the heels of Leslie. Devaney, after the bumping at the start of the bell lap, withdrew from the race and did not finish.

The flying fours of Fordham and Columbia had a hot battle in the one mile intercollegiate relay. The Maroon led from start to finish, but the Blue and White runners were on top when Fordham rivals all through the last two legs. The College of the City of New York finished third.

Artistic Angels gave a corking fence flying exhibition in the seventy yard hurdles, winning from scratch in 3:5 seconds. Jack Eller, the Winged Foot man, who started from scratch along with the other runners, was the victor. Mercury Footer, Eller, in turn, barely beat Sherman Landers, the Chicago youth who wears the Red and Blue of Pennsylvania, and who had a three foot handicap.

The time made by Engels, 3:3 seconds, establishes a new record, as the previous record was held by the two feet six inch hurdles—never before has been listed. Most of the hurdle races at seventy yards have been over five flights of hurdles.
